ANNUAL PRACTISING CERTIFICATE (APC)

A practitioner who has registered with the MDC may submit his application for a practising certificate using the [prescribed Form 8](#) in the Dental Regulations 1976, pay the requisite fees and will then be issued with an **Annual Practising Certificate (APC)**. Practitioners in the government sector are exempt from payment.

The APC must be renewed each year, and applications for APCs for the following year must reach the MDC **before 1 December of the current year**. The **fee is RM 50.00 per practicing address**. Late applications incur an additional penalty of RM50.00 per application (Regulation 23 of the Dental Act 1971). Payment can be made manually or online.

For manual payment : Postal Order or Bank Draft made out to the "Pendaftar Pengamal Pergigian". Cash and personal cheques are not accepted.

For online payment : Via myBayar provided by the myGovernment Portal. [Details](#)

Dental practitioners are required to have a separate APC for each premise of practice and are required to exhibit the APC at each premise (Section 29 of the Dental Act 1971).
