

Air Service Permit

1. Introduction

1.1 General

Any person who intends to undertake to carry by air or use any aircraft for the carriage of passengers, mail or cargo for hire or reward upon any non-scheduled journey between two or more places of which at least one place in in Malaysia requires an Air Service Permit ("ASP") before it can commence services.

Applicants are permitted to apply to the Malaysian Aviation Commission ("MAVCOM") for an ASP and to the Department of Civil Aviation ("DCA") for an Air Operator's Certificate ("AOC") at the same time. However, an ASP will only be issued to the applicant who holds a valid AOC issued by the DCA.

1.2 Eligibility

Applicants seeking an ASP to operate non-scheduled services are required to demonstrate that they can comply with the requirements of the relevant international air services agreement and/or arrangement between Malaysia and the country/countries to which the applicants wish to fly into.

The ownership provisions require that an applicant for an ASP shall only be made by a Malaysian or a person under the direct or indirect control of a Malaysian.

1.3 Licence/Permit Maintenance

Permit holders are required to comply with the audit measures administered by MAVCOM in order to maintain their ASP and continue conducting non-scheduled services to and from Malaysia.

2. The Application

2.1 Administrative Details.

Applications for ASP may be submitted by post or hand delivered to:

Executive Chairman
Malaysian Aviation Commission
Level 19, Menara 1 Sentrum
